

LC3 BH Collaborative Training Opportunities

LC3 Year 3 Outcome: Train 100 individuals from the LC3 collaborative and community

Now that we have identified our areas of priorities in our behavioral health system in Doña Ana County during our Strategic Planning process, we can offer specific trainings in these areas for each Action Team. Below you will find trainings (that are very closely related) to each area of priority identified. Click the links below to register and learn more about each training.

Please note:

In order to track LC3 members who have completed SMI Adviser, SAMSHA training sessions, please include your DAC zip code and email address that is associated with the LC3 email list. You will need to create an account on the SMI website to register for a training.
