The LC3 Collaborative – Our Aspiration:

To build a behavioral health system that is inclusive, organized, centered on the individual and family, and is committed to advocating for and providing comprehensive mental health and substance use disorder services for people across Doña Ana County, New Mexico.

THANK YOU for attending LC3’s 2nd Annual Meeting & Community Presentation. Approximately 150 people from across

the state joined us to learn more about the “Ideal Behavioral Health System” and celebrate LC3’s success this year. A special thanks to NM Governor Michelle Lujan Grisham and Lt. Governor Howie Morales for their support in prioritizing behavioral health. We especially want to thank LC3 members, both past and present, who are the heart of who we are and what we do. We look forward to the new year!
