RECENT: LC3 STRATEGIC REBOOT

As a community and collaborative, we captured new energy and ideas while successfully supporting our existing strategies. With the data presented from this year's community needs assessment, potential action team groups were formed and are working towards presenting their ideas and initiatives to the LC3 Board to solidify the final action teams fully. If you are interested in joining an LC3 Action team, please reach out to jguerrero@fyinm.org or avega@fyinm.org. Stay tuned!

Top Action Teams (Of the 6 Listed Above will be announced in July General Meeting 7.16.24

Youth Services

This team focuses on addressing the needs, challenges, and opportunities faced by young people in the community. It works to empower youth, provide them with essential resources and support, and engage them in positive activities and leadership roles.

Legislative & Sustainable Funding

This team focuses on influencing legislation, developing strategic funding plans, and ensuring the sustainability of programs and projects. It is dedicated to advocating for policies and securing long-term financial resources to support the initiatives and goals of an organization or community effort.

Supportive & Specialty Services

Focuses on providing and coordinating a wide range of services designed to address specific needs within the community, ensuring that individuals receive comprehensive care and support. This team works to improve access to specialized services, enhance the quality of care, and support the well-being of individuals across various populations.

Crisis Services

Focuses on providing immediate support, intervention, and resources to individuals experiencing crises, while also working on long-term strategies to prevent such crises and improve overall community well-being.

Housing Services

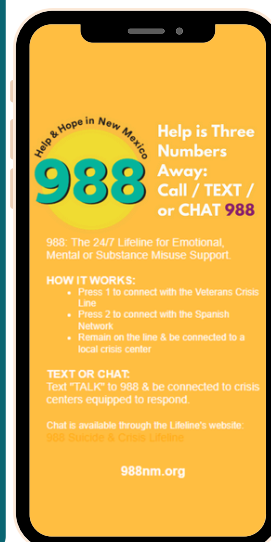

This team focuses on ensuring our community has access to safe, affordable, and stable housing for all residents. It works to tackle homelessness, improve housing conditions, and advocate for policies that support housing equity and sustainability.

Coordination of Care

Focuses on improving the integration and collaboration among various healthcare providers, services, and community resources to ensure that patients receive comprehensive, efficient, and continuous care.

The above are possible action teams until voted in by the LC3 Board. The final 3 action teams will be announced at the July LC3 Board meeting on 7.16.2024. Interested in joining? See the "Join Us" section on the top right of this page! Action teams are open to everyone and anyone. For more information, email Javier (jguerrero@fyinm.org) or Amanda (avega@fyinm.org).
